The excitement is growing and so is the Berks County Republican Committee! We have doubled in membership since July 2018. Our Committee Sponsored events are the most attended events in over 20 years. **The Berks GOP has 3Xs the candidates running in 2021 than we had in 2019.** With all that has occurred in this past election, we have never been more united than we are now. America First is the Republican Party.

Interest in the Berks County Republican Committee, our shared Republican “America First” values and our Republican elected officials and candidates are growing exponentially. We are active on social media, and our social media followers is increasing exponentially. Berks County was instrumental in delivering the Statewide Judicial Races and Statewide row offices in recent elections. We helped lead the way to increasing the Republican advantages in our State Assembly and our State Senate.

We are committed to turning the growth, interest and enthusiasm into Republican victories in November. There is much at stake in Berks County this year. Our county is needed to help deliver winning votes in statewide judicial races. The Republican judicial candidates strongly believe that judges should not legislate from the bench, while Democrat judges constantly look for ways to justify government overreach and over regulation. This is harmful to our families and business community.

**Your financial support is essential for the Berks County Republican Committee's success!** We must ensure Republican victories in this years election and beyond. We cannot win unless we have the resources to get our message out to voters.

We are utilizing two premier donor programs, the Chairman's Club and the Lincoln Club. We are excited to talk to you and offer you details on upcoming events. ***Please consider joining one of these two clubs to help us continue our progress and strongly support our Republican candidates. Send us an email with your information. We will get back with you!***

Thank you for your consideration!

**Sincerely:**

Clay Breece  
Chairman Berks County Republican Committee
